GROOMING RITUALS

DAILY DETOX SHAMPOO

GENTLY REFRESHES SCALP HAIR & BODY

A detoxifying botanical cleanser, designed for daily refreshment and whole body cleansing, of hair and scalp, beard and body. Infused with skin friendly extracts of Rosemary, Birch and Peppermint, to quickly erase hard core body oils and stubborn styling residue. Offers a refreshing mint aroma to cool and cleanse the entire body.

Apply to wet hair and gently massage into a cleansing lather. Rinse thoroughly and repeat. Leave second cleanse in for 1 to 5 minutes for optimum cleansing. Rinse thoroughly. Use as needed.

TIP Use Scalp to Hair Mineral Defence all over scalp to prevent itching or redness.

Enriched with

Glycerin A vegetable-based humectant which increases moisture content to quench dryness and dehydration.

Vitamin B5 A deep-conditioning B group vitamin which protects hair and skin from dehydration and moisture loss.

Tetrasodium EDTA A deep-cleansing active which captures hard water minerals, chlorine, pollution, styling residue and build-up which purifies scalp and hair.

Sage A powerful anti-inflammatory and anti-microbial extract which balances sebum and soothes the skin.

Rosemary Rich in skin protective Flavonoids and Phenolic Acids which provide a natural antiseptic and anti-inflammatory action to balance sebum and skin impurities.

Birch A Beta Hydroxyl Acid obtained from the leaves of white Birch Trees. A superior exfoliating extract able to penetrate the sebaceous gland to purify and remove unwanted bacteria and skin cell residue.

Peppermint A medicinal herb enriched with Vitamins A and C, a cross between water-mint and spearmint; nutrients which provide a cooling, calming and refreshing action for the skin.

250ml

CLOSE SHAVE CREAM

PREPARES SKIN FOR THE RAZORS EDGE

A softening botanical shave cream that transforms a dry, raspy shaving experience into a smooth and comfortable gliding ritual. Cushions skin with natural ingredients such as Coconut Oil, Vitamin E and Allantoin, providing natural lubrication and protection to reducing shaving rash and skin irritation.

Massage on to moist warm skin. Complete shaving ritual and finish with daily skin hydrator.

TIP May be used daily as a gentle facial cleanser.

Enriched with

Coconut Oil Rich in fatty acids, triglycerides and natural tocopherols of Vitamin E. Provides excellent protection for the skin and prevents dehydration and moisture loss.

Glycerin A vegetable-based humectant which increases moisture content to quench dryness and dehydration.

Tocopherols Acetate Vitamin E A super antioxidant which protects hair and skin from aging and the elements. Rich in natural moisturising properties to provide essential skin barrier function.

Allantoin A naturally soothing skin protective, which promotes skin recovery and cushioning for the skin; prevents shaving rash, cuts and skin abrasions.

150ml

STYLING RITUALS

HOW TO USE

Warm a small amount of product in hands, work into damp or dry hair.
Leave hair to dry naturally.

TIP To soften styling effect, cocktail selected wax with NAK Beard & Face Elixir.
To remove wax build-up or styling residue cleanse weekly with NAK Ultimate Cleanse Shampoo.

25g & 90g

Enriched with

Beeswax - Cera Alba A natural emollient and conditioning wax which provides pliable texture, softness, shine and control.

Carnauba Wax A vegan alternative to bees wax. Creates a natural thickening effect; infuses natural condition, grip and style control.

Castor Oil A unique fatty acid deeply absorbed by the skin. Infuses anti-inflammatory properties which soothe, moisturise and protect the skin from irritation and redness.

Chitosan Thickens hair strands to enhance natural body and shine, resists against humidity to help control frizz; corrects moisture balance and improve styling manageability.

Diatomaceous Earth A Super antioxidant straight from mother earth, rich in minerals and trace elements which balance the skin.

Glycerin A vegetable-based humectant which increases moisture content and quenches dryness and dehydration.

Kaolin Absorbs shine and oily residue, provides matte styling and purifies the skin.

Lanolin Nature's skincare wonder, extracted from the fleece of sheep. Contains properties like those of our own sebum. Holding up to 200% of its weight in water, acting as a moisture reservoir for hair and skin, adds a high sheen and workable luxe styling control.

Marine Collagen A fibrous protein that corrects moisture balance and returns tensile strength and resilience to the hair.

Octylacrylamide Provides workable luxe styling and ensures essential humidity protection; weatherproofs hair from environmental factors for safe thermal styling.

PVP/VA Copolymers Creates thickness, texture and styling fullness and delivers strong grip and matte styling effects.

Sea Kelp - Laminaria Digitate A natural sea botanical rich in Vitamin A which infuse Amino Acids and Trace Elements that correct moisture balance.

Sea Moss - Eucheuma Spinosus Rich in Iodine and Magnesium which infuse natural Amino Acids and nutrients to correct moisture balance and help prevent colour fade and structural stress.

Sea Salt - Sodium Chloride A natural astringent and anti-bacterial extract which purifies hair and scalp. Provides thickening styling effects and beach texture to the hair.

Sandalwood Anti-inflammatory, anti-bacterial, anti-fungal and anti-proliferative which soothe and treat skin irritations.

Cedarwood Bark Oil Selected for its anti-seborrheic and astringent properties, balances sebum and oil to normalise skin irritation.

Peppermint A medicinal herb enriched with Vitamins A and C, a cross between water-mint and spearmint; nutrients which provide a cooling, calming and refreshing action for the skin.
